

A close-up photograph of a white cremation urn. The urn has a silver chain draped over its shoulder, which is attached to a silver plaque. The plaque has some faint markings, possibly initials or a name. The urn is decorated with three horizontal black bands. The background is a plain, light color.

Cremation Urns
& Memorials

—
More Than Just A Memory

*All of the Cremation Urns in this brochure are made from solid brass and are hand made and finished. Our urns are available in a range of designs and sizes.
(colours may vary slightly)*

Adult: Hold a full set of adult cremated remains.

Adult Urns are typically around 10"-12" in height and are secured with a threaded lid

Keepsake: Hold a token amount of cremated remains.

Keepsake Urns are typically 3" tall and are sealed with a threaded lid, these are supplied in a presentation box. Star and Heart designs are also available with an optional display stand.

Tealight Urns: Hold a token amount of cremated remains.

The Heart and Round tealight urns are around 3" across and have a recessed top into which a tealight candle can be placed. The column designs are around 5" tall, these come with a glass cup to place a tealight candle in.

Infant: Hold all of an infants cremated remains

The infant urn stands around 7" tall, all keepsakes are around 3" tall

Pet Urns: Are available in various sizes

Cat shaped urns are designed to hold a full set of cat cremated remains are typically around 10" long / tall. Paw print and other pet urns are available in multiple sizes.

Companion Urns: Supplied with matching colour base for two adult urns

Cremation Jewellery: Hold a token amount of cremated remains

Cremation Jewellery is made from 365 sterling silver and is natural polished finish or 18ct gold plated. Supplied with funnel, thread sealant, polishing cloth and presentation box.

Engraving

Nearly all our items can be engraved in one way or another enabling you to add that personal touch for your memorial.

All engravable items are marked with a *.

Adult Urns: We have matching plaques which hang around the neck of the urn. There is approximately room for 4 lines of around 20 characters. (photo on cover)

Keepsake Urns: Our silver / gold coloured Heart and Star keepsakes can be engraved directly onto. There is approximately room for 3 lines of engraving of around 15-20 characters

Jewellery: The majority of our jewellery items can be engraved. There is usually room for 2-3 lines of around 10 characters.
